

Complimentary Film Production Concierge Services for Cast, Crew, Media & Production Travel

What is Film Production Concierge?

Film Production Concierge (“FPC”) provides a **Complimentary Full Service Travel & Housing Assistance** for individuals, cast, crew & production travel.

Our experienced specialists are supported by state-of-the-art software, offering clients a turn-key experience by negotiating and managing all hotel, lodging, transportation and clients travel manifest. We offer discounted rates on all or portions of your teams travel and housing accommodations and track everything through shared portals and work directly hand in hand with your team to make the experience easy, affordable and turn -key.

The Benefits:

- Full-service, seamless process for media, line producers and production teams for all travel and hotel accommodations
- Negotiate rates and concessions for hotels within close proximity to the venue or location shoot with accommodations that are appealing and convenient that fit our client’s specific needs.
- Contract vendor rates below the prevailing rate, even during holidays and peak times
- Manage the billing and reporting between the Client, hotel and traveler
- Client has the ability to earn reward points, room upgrades and other concessions

What it Means:

- Cost savings to your company if paying for employees travel per diem
- Seamless Travel Options
- Operate as a partner and extension of your company by viewing costs and budgets as if they were our bottom line
- Guaranteed cost savings through FPC’s pre-negotiated rates at staff-friendly hotels
