

## **What is Medical Travel Concierge?**

Medical Travel Concierge, also known as “MTC” is a turn-key travel planning experience, offering discounted contracted rates to pre-screened medical-friendly hotels within close proximity to Regenexx clinics. Our experienced specialists are supported by state-of-the-art software, offering clients a turn-key experience by negotiating and managing all hotel, lodging, transportation and clients travel manifest.

### **The Benefits:**

- Full - Service, seamless process for clinics and affiliates for all travel and hotel accommodations
- Pre-negotiated rates for hotels within close proximity to Regenexx clinics with accommodations that are appealing and convenient for medical travelers
- Handles all vendor negotiation, contracting and assumption of liability for contracts
- Contract vendor rates below the prevailing rate, even during holidays and peak times
- Management of the billing and reporting between the hotel and traveler

### **What it Means:**

- Cost savings to your company if paying for employees travel per d Seamless Travel Options
- Put Patients at Ease When Traveling For Appointments
- Operate as a partner and extension of your company by viewing costs and budgets as if they were our bottom line
- No liability to you, the traveler or company. Contracts are signed by MTC.
- Guaranteed cost savings through MTC’s pre-negotiated rates at patient-friendly hotels

*"It has been a pleasure to work with the Medical Travel Concierge team! Our mission is to provide excellent patient care to get people back to what they love. Having this program is just one more way to make sure our patients are taken care of. A great addition!" - **Kimberly Langlois, DOM AP, Practice Development Analyst***

*"We have been working with MTC for a few years now and appreciate the prompt and accurate responses. Patients and staff enjoy the easy and convenient hotel booking online and via phone." - **Jennifer Hussein | COO, Regenexx Las Vegas***
