

SPORTS TOURNAMENT CONCIERGE

TRAVEL * SLEEP * WIN * REPEAT

Sports Tournament Concierge is a free, full-service housing company which allows all those involved with arranging travel and transportation to focus on the game, while we focus on planning your travel! We concentrate on making your stay effortless and enjoyable while saving you time and money!

Sports Tournament Concierge can provide and/or assist with the following:

Adult / University /Collegiate /Youth Team Travel

- **Custom Web Pages:** Create and manage web pages with separate booking links and rates for team travel hotels and/or family/fans.
- **Hotel Accommodations:** Source, and negotiate hotel rates, concessions and assist with last minute changes (up to 24 hours' notice) and flexible check-in and checkout.
- **Getting to the Destination:** Reserve and manage flights, charter buses, van/car rentals.
- **Team Meals:** Secure private meeting rooms for breakfast or ability to utilize rooms for bringing in outside food. Provide discounts to meal delivery or dine-in within the destinations.
- **Concessions:** Contract staff room rates, complimentary upgrades for coaches, special bus & parking arrangements, VIP check in and other customized concierge services.
- **Reward Points:** Hotel and airline reward points or credits earned for reservations under the block and applied towards the group contact.

Hotel Accommodations: Tournaments/Camps/Team Travel

In addition to the services listed above, we provide the following:

- **Additional Concessions:** Negotiate complimentary room nights based on actualized pick up as well as upfront complimentary rooms nights at contract signing regardless of pick up
- **Financial Incentives:** Cash Rebates per room nights not only on the event days but on the entire block
- **Reward Points:** Ability to receive additional meeting planner points and transfer hotel points to airline points at applicable hotel name brands.
- **Contract Signing:** No financial liability, no attrition and room rate disparity reviews to ensure that the contracted rate is lower than the prevailing rate.
